CORRECTED RESPONSE TO RESTRICTION REQUIREMENT

To the Commissioner of Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In reviewing the Response to the Restriction Requirement filed in the U.S. Patent and Trademark Office on October 23, 2006, it is noted that the election sets forth a clerical error in that Applicant provisionally elects the Group I claims, that is, Claims 80-100 and 102 for prosecution in the instant Application. Thus on page 2, line 3, "II" should be corrected to --I--. However, the basis for traversing the Restriction Requirement remains the same and Applicant continues to request that the Group I and Group II claims properly should be examined in one rather than two patent applications.

Respectfully submitted,
